

Understanding Book Reviews: how do we do it?

We aim at providing the best book reviews to our authors without being artificial, getting caught by organic readers and, most importantly, keeping it private! To others, it looks like a reader buying a book, reading it and offering a review!

Amazon reviews

and how it works

Amazon is the most important platform when it comes to buying books. So, reviews on Amazon matter a lot! Unlike many other individuals or group of pseudo-readers who argue about the book cover and grammar, our reviews are based on content, short, not too flashy and seem perfectly spontaneous.

* We respect your privacy and no one will get to know you have used our Amazon reviews services. Be aware of individuals contacting through Instagram or FB. They leak your chat screens while persuading others.

Amazon reviews

pricing & other essential details

20 Reviews – 6,000 + 20 Ebooks Price

50 Reviews – 13,750 + 50 Ebooks Price

100 Reviews – 25,000 + 100 Ebooks Price

Readers buy their book by making normal payment. We don't offer gift cards as they might get flagged by Amazon.

Duration will be 7-25 days.

Goodreads reviews

pricing & other essential details

30 Reviews – 5,400

50 Reviews – 8,000

100 Reviews – 14,000

200 Reviews – 26,000

500 Reviews – 60,000

1000 Reviews – 1,00,000

Duration will depend on the numbers. Usually, for 50 reviews on Goodreads, it takes about 12-15 days. For larger numbers, it is advised to keep the distribution well-planned and organised. For example, 500 reviews in 50-60 days are good.

Google reviews

showing where it matters a lot

Have you noticed something when you search for famous books? There are reviews just below the book details on Google search results pages. Yes, we'll get that for you!

Pricing:

10 – 1,200

20 – 2,200

30 – 3,000

50 – 5,000
