

We make you the centre of book-buzz. Here's how.

Other than regular campaigns like book reviews on Amazon, Goodreads, and other platforms, we offer many other exclusively designed services. Read more in this brochure to find out services and prices.

Let's get the readers talking goodreads, book clubs & q-a platforms

Readers are everywhere and many of them want to talk, discuss and share their thoughts after reading a book. We will offer your book to those and they will set the buzz going...

Let's get the readers talking where and how and how much

We mainly use the following platforms where readers share their opinions and make others participate:

Goodreads, Quora, India Book Club, English Literature Forum

Price is discussed in the next card.

How many, what kind & how long everything is up to your need

If you are looking to promote just one book, we will use all our precious ideas in getting the word out about your book. However, if you are looking for long-term goals, we can continue longer – discussing the author, writing as a whole etc.

Price:

10,000 – 4 Quora questions with 3 answers each; 2 Goodreads discussions with 4 replies on each, a thread on India Book Club with 3 replies assured (duration – 16-20 days)
